Critics seem to find it necessary, at least once in a career, to write a statement defending criticism per se. Shaw, Pauline Kael, Eric Bent-ley, and James Blish have all done it. That I'm doing it too, doesn't prove I'm in the same league, but it does indicate the persistence of the issues involved and that they occur outside, as well as inside, science fiction. . . I've got to admit, though, that before I yelled my nay I had a bad moment. I'm still not sure I did right. Suppose the Company Representative was telling the truth and the Project really is for the benefit of common people like ourselves? If that's so, then we aren't acting in our own best interests at all; we're just pulling the rug out from under our own feet. . . "That's another way vampires are stupid. They never check the victim's blood group. The wrong." "A temp." Call him Smith. He was the president of a company that bore his name and which held more than a scan them for comments. There were none. She stripped to her skin and reached for the light. . . ABOUT TWO HUNDRED feet below the ridgeline, the Third Platoon of D Company had set up its Tactical Battle Station in a depression surrounded by interconnecting patches of sagebrush and scrub. A corner in a low rock wall sheltered it on two sides, a large boulder closed in the third, and a parapet of smaller, fiat rocks protected it from the front; a thermal shield stretched across the top hid the body heat of its occupants from the ever-vigilant sensors of hostile surveillance satellites. . . demanding of me than ever before. . . capsules that were supposed to ferry down supplies to us during the stay here. The first Ozo was smuggled into the Soviet Union from West Germany by Katerina Bclov, a member of a dissident group in Moscow, who used it to document illegal government actions. The device was seized on December 13 by the KGB; Belov and two other members of die group were arrested, imprisoned and tortured. By that rims over forty other Ozos were in the hands of dissidents. . . An undercurrent of murmuring rippled quickly around the hall. Congreve nodded, indicating his anticipation of the 'objections he knew would come. He raised a hand for attention and gradually the noise abated. . . "You might," said Amos. But though his heart was with Jack, he still felt a good spirit was important to keep up. "But we might see it a lot more clearly from the top of this mountain," But as he said it, the last light of the moon winked out. Now even the stars were gone, and the blackness about them was complete. But as they turned to seek shelter in the rising wind, Amos cried, "There's a light!". Reluctantly at first, then with the glad, uncloseted feeling of shaking himself loose over a dance floor. . . "I guess he doesn't have a nose for the sweet smell of success," Colman murmured as they watched. . . responding. This time she was through the door almost before the reverberations had died down, leaving. He looked around at the faces of the others and decided it wasn't the time to speak of rescue possibilities. He didn't relish being a leader. He was hoping Lang would recover soon and take the burden from him. In the meantime he had to get them started on something. He touched McKillian gently on the shoulder and motioned her to the lock. . . Side by side, we pause directly before the door. My teeth, I suddenly realize, are chattering with fear. And he was mildly surprised to find. It was the mystery that Nolan had sensed the first time he saw her staring at him across the village compound three days ago. At first he thought she was one of the company people? somebody's wife, daughter, sister. That afternoon, when he returned to the bungalow, he caught her staring at him again at the edge of the clearing. So he asked Moises who she was, and Moises didn't know. Apparently she'd just arrived a day or two before, paddling a crude catamaran downriver from somewhere out of the denser jungle stretching a thousand miles beyond. She had no English, and according to Moises, she didn't speak Spanish or Portuguese either. Not that she'd. Just after New Year's, he told his partner that he wanted to sell out and retire.
